## SUMMARY

---

I am Esmond Agharovbokhan, a passionate and detail-oriented Web Developer with a keen eye for creating dynamic and user-friendly websites. I thrive on turning ideas into realities and enjoy the challenge of crafting powerful, responsive, and user-friendly websites. With my experience and skills in front-end and back-end technologies, such as HTML, CSS, JavaScript, React.js, Node.js/Express, and PHP among others, I can, and I have worked alongside other developers and stakeholders utilizing these technologies in different areas, which makes me thrive in a collaborative environment as a team player. Below is the link to my portfolio which showcases some of my past and recent projects.
